### CARD EXPLANATION

The deck of bigger cards are the **recipe cards**. A recipe card has a picture of the recipe in the middle and the 4 required ingredients on the corners.

The deck of smaller cards are the **ingredients cards**. These are required to complete the recipe cards.

# RULES OF PLAY

- Each player draws **1 order card** and **4 ingredients cards** from the deck and places them face down on their designated areas of the board.
- As a team, decide which difficulty you would like to begin at. (REFER TO THE “CHOOSE YOUR DIFFICULTY!” SECTION FOR REFERENCE)
- The hungriest player goes first!
- Once the time begins, each player flips all of their cards, and player 1 begins their turn. The turns go clockwise.
- Players can have **no more and no less than 4 ingredients** at a time.

## ON A TURN, A PLAYER CAN DO ONLY **ONE** OF THE FOLLOWING ACTIONS:

- Exchange 1 ingredient card with another player.
- Discard up to 2 ingredient cards and withdraw replacement cards from the ingredients deck.
- Submit a completed order.  
(Refer to “Completing An Order” Section)
- Pass their turn.

## CHOOSE YOUR DIFFICULTY!

MILD - 2 orders in 4 minutes

MEDIUM - 3 orders in 4 minutes

HOT - 4 orders in 4 minutes

FEELIN' THE HEAT - 6 orders in 4 minutes

NOW WE'RE SWEATIN' - 7 orders in 4 minutes

OVERCOOKED CRAZE - 8 orders in 4 minutes

## COMPLETING AN ORDER

- Once a player has completed an order, **they must wait until their next turn to submit it.**
- **You cannot submit an order on the same turn you complete one.** Submitting an order counts as your round's one action.
- Upon completing the order, you must ring the bell, announce the order number you are submitting, and yell out:  
**"Order Number \_\_\_ Coming Right Up!"**  
(EXAMPLE: IF A PLAYER IS SUBMITTING THE FIRST ORDER, THEY MUST SAY "ORDER NUMBER 1 COMING RIGHT UP!")
- Once the bell has been rung, the player can remove their cards from the board and redraw 4 new ingredients cards and one new recipe card to complete.
- Once the round is over, re-shuffle all of the ingredients cards.

## TIPS FOR SUCCESS!

- Try a practice game without the timer to understand the basics.
- Form an organized discard pile for ingredients cards.
- Once the round is over, re-shuffle all of the ingredients cards.
- Don't focus only on your recipe card but other player cards too!
- When trading cards, think about how it would benefit all players (not just yourself).

**GOOD LUCK AND HAVE FUN, COOKS!**
